Dear Classmates,

I was in Baltimore on February 3 and 4 for the Cornell Alumni Leadership Conference and for the meeting of our Class Council, which is held each year in connection with the conference. Our class was well represented at the conference; ten council members attended and four others participated by conference call at our class meeting. The minutes of our class meeting, and the annual Treasurer's Report approved at the meeting, will be posted on the class website, www.cornell165.com.

Our class treasury is funded solely by class dues and is used to support all our class activities, including Reunion, regional class gatherings, class communications and the class website. If you have paid your class dues this year or signed up for the automatic renewal dues payment program, please accept my thanks. If not, please consider supporting our class by paying dues. Your support is greatly appreciated.

I also want to encourage you to send information about yourself, your family, your travels and other activities to our Class Correspondents for publication in the Class Notes section of the *Cornell Alumni Magazine*. Your class dues include a subscription to *Cornell Alumni Magazine* unless you choose not to receive it. Our Class Correspondents are Stephen Appell (bigred1965@aol.com) and Joan Hens Johnson (joanhpj@comcast.net).

In past years our class established two endowed funds at Cornell, the Class of 1965 Scholarship Fund and the Class of 1965 Library Resource Endowment. When you make gifts to Cornell, please consider designating a portion of your gift to one or both of these funds. Financial information about the two funds is included in the Treasurer's Report.

If you have questions about class activities, you can contact me at fmccreary@velaw.com or call me at 713-758-2440. Also, if your email address or other contact information has changed, please send updated information to me.

Best wishes to all for a happy and healthy 2017.

Frank McCreary
Class President
